

**To all members of the Half Moon Lake
Protection and Rehabilitation Association:**

The first of our two meetings of the 1988 season will be held on

Saturday, June 25th, at Unity School.

We will have a **business meeting at 11:00 a.m.**,
followed by a **picnic and silent auction.**

The business agenda will include discussion of various issues regarding the quality of Half Moon Lake. Fishing, weed cutting, water level and water patrol are among the topics on the list. **A representative of the DNR** will be with us to speak on these subjects. Let's learn together and then share in the decision making.

Our association has not had a social event for many years. Let's revive the old tradition of getting together to get acquainted with others on the lake, to have a good time and to raise some money for future Half Moon events.

Following the 11am meeting we will have a
picnic lunch, games for children, and a silent auction.

FREE HOT DOGS AND FREE SOFT DRINKS.

Bring some munchies or a dessert to share.

The **SILENT AUCTION** is simple and fun. Everyone loves a bargain, so search your cupboards and closets and donate those things you don't use. New or good used items are appreciated. Written bidding will take place during the lunch hour. *One person's trash is another person's treasure!*

Bring your donation to the meeting.
